RE: MATHCOUNTS Sponsorship

Respected Sir/Madam:

The Harrisburg Chapter of the National Society of Professional Engineers coordinates the MATHCOUNTS Competition for schools in the Greater Harrisburg Area under the auspices of the Pennsylvania Engineering Foundation (PEF).

The 2011-2012 school year marks the 28th year of the national MATHCOUNTS competition program and we are pleased we can participate in such an important endeavor. The mission of MATHCOUNTS is to increase enthusiasm for and enhance achievement in middle school mathematics throughout the United States. More than 7 million students have participated in this program thus far.

Last year, the Harrisburg Chapter of the Pennsylvania Society of Professional Engineers (PSPE) had a very successful event. We hosted 18 schools that were represented by 24 coaches and 132 Mathletes at Penn State Harrisburg. We are extremely proud of all the fine young people who competed.

Such an event is not possible without the support of the local business community and we need your help. Perhaps one of these bright math students could be one of your employees in the future.

Of the fifty states, Pennsylvania has the greatest number of schools involved in MATHCOUNTS and the Harrisburg Chapter's competition is one of the largest in the Commonwealth. Please consider supporting us by making a generous, **charitable and tax-deductible donation**. PEF is a Section 170(c) Non-Profit Organization under the IRS Code of 1986. We have Platinum, Gold, Silver and Bronze levels of corporate sponsorship as described on the enclosed form. All corporate sponsors will be recognized on a display board at the competition, in the Program at the MATHCOUNTS Competition, and posted on our website for one year. Please complete the enclosed form and mail it to us with your donation by **December 29, 2011**, and help us in supporting MATHCOUNTS. Our success depends on you. If you have any questions, or would like to help in any other way, please call me at 717-763-7211 Ext. 2534

Please feel free to join us on Saturday, February 4th, 2012 at Penn State Harrisburg for the MATHCOUNTS Competition.

Many Thanks,

Matthew J. Carnish, PE
President, PSPE – Harrisburg Chapter
